

NC STATE UNIVERSITY

Incoming Student-Athlete Admissions Checklist

Congratulations on your decision to attend North Carolina State University! We want to make sure that your transition from high school to college is as smooth as possible, so please have the following materials submitted:

Steps towards Admission at NC State:

- Log onto <https://wolfpaw.ncsu.edu> and create an account during the fall of your Senior year (or as soon as possible)
- Complete the online application for undergraduate admission through the Common Application (www.commonapp.org) – Be sure to answer all of the questions.
- Please make sure you request your official transcripts from all high schools attended. Through the Common Application, students will be able to notify their high school counselor to issue a transcript to NC State
- Transfers Only: Please make sure you request your official transcripts from all colleges/universities attended
- Pay your admission fee (\$80 US/\$100 International) or submit your fee waiver
- Submit official SAT/ACT scores to NC State
- When you graduate from high school, have your guidance counselor or the school send your final **official** (mailed from your high school in a sealed envelope) high school transcripts to NC State
- Log back into your WolfPaw account periodically to review your application status and check for any NCSU updates

Steps towards Eligibility in the NCAA:

- Log onto www.eligibilitycenter.org and create an account immediately following your junior year
- Complete the Student Release Form
- Pay your application fee (\$75 US/\$130 International) or complete the fee waiver
- Submit current official high school transcripts to the Eligibility Center
- When you graduate from high school, have your guidance counselor or the school send your final **official** (mailed from your high school in a sealed envelope) high school transcripts to the Eligibility Center
- Submit official SAT/ACT scores to the NCAA Eligibility Center
- Answer the Amateurism Questionnaire when you register with the Eligibility Center
- Make sure to log back in (on or after April 1 for Fall enrollment/October 1 for Spring enrollment) and update your answers and request your Final Amateurism Certification. You must be certified as a final qualifier for academic eligibility and amateurism by the NCAA in order to attend NC State.

Additional Considerations:

- An admission decision will not be made until you have registered with the NCAA Eligibility Center and they have completed a preliminary evaluation on your qualifying status.
- Make sure to have your guidance counselor or your high school send your final **official** transcripts to both the NCAA Eligibility Center and to NCSU upon completion of high school. You will not be able to attend NCSU without these documents.
- Every time you take the SAT/ACT make sure that you are sending those scores directly to the Eligibility Center and the NC State Admissions Office.
